AFRICAN LUXURY

From artisan baskets and masterfully crafted furniture, to sumptuous felted accessories and one of a kind vintage pieces, Kanju's collections are imbued with the purest essence of luxury. We aim to be more than a collection of beautiful things; Kanju is a journey, a series of links, a constellation of moments... moments that connect things to places and places to people. From small villages across the African continent to intimate and eclectic interior spaces around the world, Kanju is a bridge between cultures.

We marvel at the vibrant and ancient beauty that dances across the African landscape, offering a sense of connection to the creative spirit and cultures that is uplifting and authentic. African luxury is a celebration of that beauty - it is a celebration of the most poignant moments of life, appreciating the simplicity of existence and connecting to our senses through the color, texture, elegance, and extraordinary moments manifested by these artistic treasures.

ABOUT KANJU

Kanju is a luxury decor brand partnered with fine artists and artisan groups across the African continent. A collaborative ethos defines Kanju's approach to design and curation, evident in cohesive collections and distinctive limited edition series. Through direct partnership with locally owned artisan groups, Kanju provides exclusive access for clients to enjoy spectacular African artworks in their own spaces around the world.

Kanju illuminates a contemporary African vernacular; one that is steeped in the inherent beauty derived from unique local materials, innovated applications of long form handcraft, and preserved artistic traditions that speak to Africa's modern cultural and artistic identities. This mixture of contemporary and vintage showcases an African concept that looks towards progress, but with a strong grounding in the past, drawing from ancestral mores and values. There is a strong focus on natural materials and utilizing them in a way that allows the organic beauty to truly shine. There is also a strong focus on function, form and durability intertwining with beauty... an insistence that even everyday items, and perhaps especially everyday items, be thoughtfully imbued with a sense of loveliness.

Since its founding, Kanju has developed relationships with local groups that enable the company to offer a beautiful range of consistently available pieces for wholesale. Welcome, and we hope you will join the journey with us and find unique and beautiful items to share with your clients.

Hand Felted Collection

Our range of felt bowls and vases are handmade with love in South Africa by a talented group of female artisans. These pieces use 100% organic Karakul and Merino wools, all sustainably sourced. The entire process is done by hand, from dyeing through to felting, thus enhancing the organic appearance and tactile sensibility. Highly unique, decorative accent pieces, they are easy to clean, versatile, and functional, often used as catch-alls, jewelry holders, planters, storage for towels or throws, general bathroom items, toys or fruit bowls... the possibilities are endless!

Woven Collection

Natural fiber weaving is among mankind's most ancient traditions and talents. Kanju works in tandem with expert weavers from local communities to curate products made from sustainable materials – often utilizing invasive grass species or incorporating recycled materials, such as discarded plastic, into some of their modern creations. The materials and styles vary between different ethnic and cultural groups, and we aim to represent a diverse selection that nevertheless imparts a cohesive aesthetic for easy mixing and matching. Refined designs and traditional skills create a harmonious marriage of form and function, and the beautiful organic materials provide a sense of tasteful timelessness.

Pillows & Throws Collection

The process of making all of our cushions and throws is done by hand, from dyeing to beading to felting. This method enhances the organic appearance while creating luxurious, one-of-a-kind pieces. The hand felted pillows and throws are made with organic base fibers of 100% merino wool and recycled mohair yarns, sometimes with a small accent pattern of silk, while the trade bead pillows are hand-embroidered in Malawi with South African or Zambian linens embellished with unique trade beads that are sourced from across Africa.

NOTE: Pillows are priced and sold as the covers only. Inserts can be included at additional cost.

Decor Collection

Kanju carefully curates a wide range of one-of-a-kind, handmade decor pieces. Bold and timeless forms, large and small, are alive with details steeped in the history, culture, and heritage of various African peoples. Through this collection, the rich diversity of African customs, stories, and representations of traditional lifestyles truly comes alive. Hand carved, crafted, and fabricated, these figures and vintage pieces are created utilizing traditional and often ancient techniques—some contemporarily made by artisans who still reside in and maintain traditional societal structures and lifestyles, and some truly antique collections that are closed, curated editions of limited quantity.

WHOLESALE ORDERING

Nature of Handmade Products

Our products are authentically handmade; all products are subject to slight variation in color, shape, dimension and texture. As such, these variations are assets of the handmade, “perfect imperfection” aesthetic that makes each piece feel unique and do not constitute quality issues.

Ordering Overview and Common Q&A's

Please contact sales@kanjuinteriors.com for wholesale inquiries and to connect with your nearest representative. For orders outside of the United States and Mexico, ex - Africa pricing and direct shipping can be arranged.

Wholesale orders are subject to some minimum ordering requirements as follows:

- First orders with new clients are subject to a minimum value of \$1500
- Garlic Gourd baskets have a minimum order quantity of 10 pieces (all orders, regardless of overall dollar minimum or client status)
- Kanju reserves the right to set minimum values or quantities for semi-custom orders, or any orders with special requirements

To inquire about becoming a Kanju supplier or stockist, please complete the online request form on our website, located under the “Contact Us” dropdown menu on our homepage, or at the link here - <https://kanjuinteriors.com/pages/wholesale-program> - and a Kanju wholesale manager will respond to your inquiry.

Kanju maintains some stock in the United States available for immediate dispatch. Most larger orders will be produced and shipped per our standard lead times listed below, however please inquire about quicker fulfillment options on an order-by-order basis. Our standard terms and answers to additional common Q&As are as follows:

- Lead times average between 8 - 16 weeks, depending on order size origin location
- International freight is included in pricing for all standard orders to the United States (with exceptions for rush orders); domestic shipping is separate
- The majority of Kanju brands and collections allow for some customization such as sizes, pattern, or color options.

TERMS AND CONDITIONS

Order Processing

All orders are processed in the order in which they are received. Available quantities of products as shown on quotes or online are subject to change. In instances where some items in your order can be shipped immediately but others require a standard per-order, we can arrange split shipments. All product pricing includes international shipping, FOB (freight on board) from Dallas, Texas, or Atlanta, Georgia, with domestic freight being paid by the customer.

For production orders and overseas stock, please allow 8–16 weeks for production and transport, depending on product, volume and country of origin (more precise estimates provided upon ordering). Once your order has been processed in the warehouse (usually within 48 hours) and/or production has been initiated, we will be unable to guarantee any changes to or cancel your order.

Payment Terms

Immediate delivery items must be paid in full at the time the order is placed, including shipping. Pre-order items require a non-refundable 50% deposit to initiate production. An additional 20% may be requested prior to international shipping, for large commercial orders. The balance, including shipping costs to your location (if arranged by Kanju), is due prior to release of the order in the US. Payments placed by credit card, in particular for pre-orders, may be subject to a 2.5% credit card processing fee at kanju's discretion.

Shipping and Handling

Estimated shipping charges will be included in your invoice and communicated at the time we confirm your order. Additional charges and/or shipping delays that result from a change or situation beyond the control of Kanju Interiors will be passed along to the customer; such additional charges are the responsibility of the client and must be paid prior to delivery of goods, and shipment delays beyond kanju's control also do not create grounds for cancellation of any orders. All shipping costs must be paid in full before we release the items for final delivery.

Due to the nature of our products, we cannot ship to post office box addresses.

Returns, Exchanges, and Cancellation Policy

Sales on all items from Kanju Interiors are final. kanjuinteriors.com does not accept returns or exchanges unless the item is defective.

Any merchandise damaged out of kanju's immediate possession and control will be charged immediately as a final sale. Please inspect all shipments immediately upon arrival and contact us within 48 hours of receipt to report damaged or defective shipments. Please include one or more photos of the damage being reported. Whether or not an item is damaged will be at the discretion of Kanju Interiors LLC. If we determine that damage was made during production or shipping, we will issue a Return Authorization Number and Authorization Label, valid for 15 days. Returned merchandise will be replaced with new merchandise, a credit for future order with us, or a credit back to the original form of payment. Due to their specialized manufacturing, customized items are non-returnable. If you receive a defective item, please contact us at sales@kanjuinteriors.com with details of the product and the defect.

Upon receipt of the returned product, we will fully examine it and notify you via e-mail whether you are entitled to a refund or a replacement as a result of the defect. If you are entitled to a replacement or refund, we will replace the product or refund the purchase price, using the original method of payment. Refunds do not include any shipping and handling charges shown on the packaging slip or invoice. Shipping charges for all returns must be prepaid and insured by the client. You are responsible for any loss or damage during shipment.

Once your order has been processed in the warehouse (usually within 48 hours) and/or production has been initiated, we will be unable to guarantee any changes to or cancel your order.
